MAKE WAY FOR RICOCHET!

HEY, IT'S THE EVER-AMAZING

SPIDER-MAN!

A true hero at heart, Spider-Man has dedicated his life to preventing injustices against the innocent.

Meet Peter Parker, once a brilliant, though meek, high school student, orphaned as a child and reared by his doting Uncle Ben and Aunt May. At a science fair, Peter was bitten by an irradiated spider and gained the proportionate strength, speed, agility and early warning "spider-sense" of that arachnid. He used these powers for personal fame and fortune as a masked Spider-Man. But when Peter failed to stop a criminal who later killed his beloved Uncle Ben, the youth's costumed identity took on a far deeper significance. He realized that with great power there must also come great responsibility. So Peter Parker became the wall-crawling nemesis of the criminal element; a young man determined to atone for the tragic death of his uncle — The Amazing Spider-Man!

RICOCHET

A new identity assumed by Peter Parker in the absence of his Spider-Man guise.

BLACK TARANTULA

A shadowy South American crime-lord who has apparently lived for centuries. The Tarantula has come to New York to personally try and take control of the city's criminal element.

THE ROSE

A criminal mastermind whose face is hidden behind a mask, thus, his identity is a secret from all. The Rose's chief goal is the consolidation of New York's underworld behind him and the elimination of Spider-Man as a threat to his power.

DELILAH

The Rose's primary enforcer, she is a super-powered woman who has been set on the trail of Spider-Man several times, though she has failed to destroy him.

ALISON MONGRAIN

A woman in the employ of Norman Osborn, the Green Goblin, who recently aided him in his long-planned revenge on Peter Parker.

PREVIOUSLY IN THE AMAZING SPIDER-MAN

Peter Parker was forced to battle the rampaging Mr. Hyde in a hotel where he was attending a party for the Bugle's departing editor in chief, Joe Robertson.

Having left his Spider-Man costume home because of the bounty on the webspinner's head for murder, Peter was forced to improvise and donned a sweatshirt, tying the hood so it covered his face. Thus he battled Mr. Hyde as the Green Hood..

After the struggle, Peter remarked to his wife how difficult it would ever be for him to return to his Spider-Man identity because of the five million dollar bounty on him. Mary Jane's idea was to help her husband devise a brand new identity that would allow him to continue fighting crime and saving innocents.

And so we have the dramatic entrance of an all-new super hero on the scene...

ITEM! Do you speak Klingonese? If not, you'll want to learn fast, because next week, we're printing a comic entirely in the Klingon language! The comic is STAR TREK: STARFLEET ACADEMY #18, which is told from the point of view of some young Klingon warriors! The story follows the adventures of the KLINGON FIRST CADRE, who have fallen out of favor with their elders! Seeking to atone for past misdeeds, the young Klingons set off on a quest for the fabled Sword of Kahless – only to stumble into a trap set by that wicked STARFLEET OMEGA SQUAD! ST: SA #18 is brought to you by that Klingon-speaking crew CHRIS COOPER, CHRIS RENAUD, and ANDY LANNING! The issue includes a Klingon-English glossary in the back, and will be published in an English language edition two weeks later, for you English-only readers out there!

Speaking of STAR TREK, there's another futuristic comic that's coming your way like a photon torpedo: it's called STAR TREK: THE NEXT GENERATION/X-MEN: SECOND CONTACT (Whew! That's a mouthful)! This 64-page one-shot features the second generations of X and Trek teams together for the first time! The story takes place immediately following the events of the film STAR TREK: FIRST CONTACT, as the ENTERPRISE is flung even further back in time! PICARD, RIKER and Co. must join forces with WOLVERINE, COLOSSUS and the gang to combat KANG, the murderous master of time, who pits them against their most frightening foes: the SENTINELS and the BORG! If our heroes fail, there won't be any more generations for either team!

ITEM! If you thought ORIGINS OF MARVEL COMICS was one of the greatest books of all time (and what True Believer didn't?)... if you loved SON OF ORIGINS... you'd better clear off some space on your bookshelf, Marvelite, because we've got an all-new volume on the way! Get ready for the book we had to call...GRANDSON OF ORIGINS OF MARVEL COMICS! This action-packed tome reveals the inside stories of some of Marvel's greatest heroes including: CAPTAIN AMERICA! THE SUB-MARINER! NICK FURY! KA-ZAR! PROF. XAVIER! And more! The book features stories by some of the greatest creators in the history of Marvel: STAN LEE, JOHN BUSCEMA, JOHN BYRNE, ROGER STERN, JOHN ROMITA JR., SCOTT LOBDELL, CHRIS CLAREMONT, JIM STERANKO, and JACK KIRBY! It's an essential part of any Marvelite's library, and someday, you can show it to your own grandkids!

ITEM! Trivia buffs will remember that feisty fowl HOWARD THE DUCK first waddled onto the scene in a story featuring the macabre MAN-THING! Next week, HOWARD and MANNY are reunited in the pages of MAN-THING #6! It seems that nasty CULT OF ENTROPY is determined to hasten the destruction of the universe! To do that, they'll need to kill a certain cigar-chompin' duck! Will MAN-THING save the day – or will HOWARD'S goose be cooked? J.M. DeMATTEIS and LIAM SHARP serve up this helping of duck soup!

ITEM! It seems like only yesterday that the CHRIS CLAREMONT/JIM LEE X-MEN #1 was setting records as the best-selling comic of all time. Well, next week, we're celebrating the double-sized 75th issue of the X-MEN! This 48-page spectacular features the newest members of the team (CECILIA REYES, MARROW, and MAGGOTT) becoming official X-MEN, just in time to join WOLVERINE and friends for an all-out encounter with the demonic N'GARAI! This x-citing x-travangaza is brought to you by the team of JOE KELLY, guest-penciler GERMAN GARCIA, and inker ART THIBERT! Have the three new members joined the team only to see it fall?

While you're savoring this tale of the X-Men's latest and greatest battle, you may also want to pick up another comic featuring a "lost episode" of the Earth's mightiest mutants! X-MEN/ALPHA FLIGHT is a two-issue Limited Series featuring an untold tale of one of the earliest meetings of the classic line-ups of both teams! When the Aryan evil that is STRUCKER sets out to destroy the mutant race, the X-MEN and ALPHA FLIGHT must come together to combat this threat to mutants in the U.S., Canada.. and throughout the world! X-MEN #75... X-MEN ALPHA FLIGHT... two titanic tales no mutant-lover can live without!

STAN'S SOAPBOX!

Hi, Heroes!

Today's first letter, from Jamie Wilson of Drexel Hill, PA, requires a long answer, so I'll start with it right away.

Jamie reminds me that...

"In an old Soapbox, you published the 'Ten Commandments for Every Comic Book Reader.' Is there any way you can reprint that list, because comicdom needs to be reminded of its duties and rights every now and again!"

I remember the column you're referring to, Jamie, but haven't been able to find it. (And a fully-equipped No-Prize to anyone who locates it and sends it to me!) But I did find a similar column I cooked up which may hold you till we find the one you want –

THE MARVEL READERS' BILL OF RIGHTS PREAMBLE

All Marvelites are created equal. We'll never favor one group of readers over another. Therefore, each and every one of you is irrevocably granted these inalienable rights:

1. The right to an unlimited variety of reading entertainment.
2. The right to carefully crafted stories, clearly told, that give you a fighting chance to understand what's going on when you plunk down your money.
3. The right to comment about every Marvel tale you read and to know that each of our editors values your opinion.
4. The right to buy only the titles that interest you.
5. The right to fearlessly assemble in public to discuss Marvel's comics.
6. The right to address all Marvel writers and artists by their first names.
7. The right to be told what is currently happening in Marvel's mags and what is being planned for the future.
8. The right to practice scripting and drawing our Marvel characters for your own pleasure and amusement.
9. The right to submit your best work to Marvel and know that the time and effort you have expended will be given the attention it deserves.
10. The right to expect Marvel always to maintain a dedication to quality, a commitment to decency, and a sense of humor about everything we do.

Then, I wrapped it up like this: "So be it! No mere words of mine can add to the glory and grandeur of those ten immortal declarations, those ten pillars of wisdom which shall inspire and guide the mighty world of Marvel now and forevermore!"

I was tempted to award Jamie a double No-Prize for evoking the longest Soapbox answer of all, but I restrained myself. Now, till we meet next ish, I suggest that you commit the Marvel Bill of Rights to memory – it's almost exam time!

Excelsior!

SUPERPOWERS FOR SALE?!?

UCI

If You Love Comics Then The Next Five Minutes WILL CHANGE YOUR LIFE!

I'm a UCI SuperCollector! Codename: Kraft.

What I am about to reveal will change the way you look at comic book collecting forever. By the time you finish reading this you will know exactly what to do to go from a mere 98lb. weakling comic shop customer to a .....

UCI SUPER COLLECTOR!

Let's face it comic fan, it's become a scary world to collect comic books in.

Once confined to the shadows, the evil forces of comic book darkness now tread fearlessly in the daylight!

All around the signs of comic apocalypse are evident. Comic shops close. Cover prices rise. Publishers and long time favorite heroes disappear from store shelves.

You love comics but you're frustrated. No one will listen To you! No one Will hear your pleas For help!

You scream, "Bring Back the fun! Make Comic collecting EASY again! Make it affordable. Respect my Intelligence! HELP ME!"

CLUB PRESIDENT & PSYCHOPATHIC VIGILANTE GARY S. KRAFT

Yes. You try your best. You reserve your favorite comics in advance! You are the first to your comic shop on the day new comics are released. Yet you still miss issues. Issues you may never see again. Issues essential to your collection! The hobby that hooked you in your carefree youth is but a shadow of it's former self.

Yes, perhaps you have already cut back on your "must buy" list. Perhaps you have even considered finding a new hobby! Yes you are beaten and bruised and you can't, nay, you won't take it any more! You are fed up with being a pawn in the comic wars!

Yes, yes! Go to the window! Open it wide and shout at the top of your lungs, "I'm MAD as HELL and I'm NOT going to take it ANYMORE!!!!!!"

WHAT WENT WRONG?

Free enterprise, the phenomenon that made America the greatest country in the world was exchanged for communism, regulation and the fast buck.

Comic shops once possessed the power to take their business elsewhere. But now only one distributor remains. Quite simply competition at the distributor level is dead. And when you remove competition you remove GROWTH! The rule of business and life is GROW OR DIE! Hence the depression that threatens the comic industry as a whole!.

WELCOME TO THE NEW WORLD ORDER: MAY I HELP YOU?

It's easy to complain. But complaining in and of itself does little to remedy any crisis. What is required is SUPER POWERS! Yes, total control over one's destiny is the quickest route to happiness no matter what situation you find yourself in.

So as the comic world at large sinks deeper into the abyss, all across the globe concerned comic collectors are joining forces to combat the cloud of depression darkening our once happy and healthy hobby! But wait! Look up in the sky! It's a bird.. It's a plane! It's..... *THE UCI SUPERCOLLECTOR!*

ENTER UCI!

THE SPIDER'S WEB

Dear Editors,

Yes!!! Doctor Octopus is alive! AMAZING SPIDER-MAN #427 was excellent! I know next issue is going to be just as good. I only have one question: Are you going to have the two Octopus's team up?

David Head
3212 Deweese Parkway
Dayton, OH 45414

Maybe. Maybe not.

Dear Web-weavers,

AMAZING SPIDER-MAN #427… how can a mere Marvelite comment on this gift clearly sent from Heaven (which I hear is located at 387 Park Avenue South in New York City)? Sure, countless Spidey villains have returned from the dead (i.e. the original Green Goblin, the Jackal, and seemingly Kraven), but the resurrection of Doctor Octopus has a decidedly different twist…

He was really dead.

It wasn't a super-strength formula. It wasn't a I-didn't-die-it-was-a-clone return. Otto Octavius had been buried, and resurrected by either cult ritual or advanced technology (I'm not quite sure which yet). As long as comic book super heroes exist, there will always be Lazarus-esque villainous returns, but it's nice to see that the Spider-books won't fall into a repetitious rut, and will evolve this genre.

Hmmm… this letter needs a little closure…I know! Those wacky numbered questions ought to do the trick!

1. If I'm not mistaken, Ock's body had shown a certain amount of decay in this issue, and yet at the end of the story, he was looking his usually gruesome self. He also had his octo-tentacles, which he didn't seem to have before. Explain!

2. Lady Octopus called Stunner "Simulacrum." Any relation to the Chameleon's simulacra?

3. Spidey said Octavius was evil personified, and yet, Ock saved his life before dying, showing a certain degree of nobility. What gives?

4. On a similar note, when Harry Osborn died, he and Peter made their peace, but every time he and Peter meet on a postmortem plane, Harry seems embittered. Why?

5. Is there any chance we'll see Steve Skroce's rendition of the Man without Fear? I've said it before, and I'll say it again. There is no team-up like a Webhead/Hornhead team-up!

Well, that's it for now, chums! Until Aunt May and Uncle Ben are brought back to life by a voodoo wheatcake recipe, Make Mine Marvel!

Lenar Clark
9904 East 60th Terrace
Raytown, MO 64133

Glad you liked our happy little epic, Lenar. Indeed, Otto's return was a bit different from most "guess-what-I-was-never-really-dead!" stories (for which we do reserve some fondness). Glad it struck the right chord!

Did someone say, "Numbered questions"?

1. Apparently, as Otto completed his "return to life," his body healed. Weird, huh? That's cult ritual and/or advanced technology for you!

2. No. Chameleon and Lady Octopus, like all super-villains, merely have inordinately advanced vocabularies.

3. True, but Ock certainly didn't seem to remember that little fling with nobility. Good thing, too, as that would mean he would remember Pete's dual identity as well! All he recalls is being a really nasty gent.

4. He's dead. Wouldn't you be embittered?

5. Probably not anytime soon, as Mr. Skroce has moved on to other assignments. Although those "head/head" team-ups sure are grand, aren't they?

Dear Webheads,

I've just read AMAZING SPIDER-MAN #427, and all I have to say is, "Thank you, thank you, thank you" for bringing back the real Doctor Octopus. No offense intended to whomever created Carolyn Trainer, but life just wasn't the same without the stupidest haircut in comics around to spice things up.

Now, I just hope he doesn't die again. And please, ditch Stunner and Carolyn. They're both useless, and I'd just as soon forget all these reminders of the thankfully now-ended Ben Reilly era. Long live the real Spidey—and the real Doc Ock.

Tony Ingram
37 Tremaine Road, Anerley
London, ENGLAND

You're quite welcome, Tony. Sorry to hear you didn't care for Stunner or Lady Ock. Although it seems that Stunner has certainly already been "ditched." And how callow of you to take such pleasure in another's pain!

Entomologists,

Ish #427? Another solid Spidey yarn, conveyed in the form, yes, character development and a meaningful story. It's interesting to realize that the pudgy blonde and the stunning blonde were in fact the same person inside. In fact, Tom DeFalco seems to have a knack for writing female characters into his stories. Another strong bit of storytelling was Peter caught in Doc Ock's arms looking on as May was asking Ben about wheatcakes. This would make a very good motion picture sequence.

Our running joke with the ninjas continuously getting clobbered was also noteworthy. And, of course, this book must always include Spidey's comic gibes. And it's a must to have a big baddie lurking somewhere in the background. And, naturally, the baddie's leg-man is going to hunt out our hero's lady…which has to be the worst thing about relationships between costumed types and regular people.

But…if the great beast was angered and the ceremony went "Arghhh"…how is it that Ock successfully makes it back to this frame of reference? We know there's a scientific answer….

Andy Herman
702 Wright Lp. #118
Aurora, CO 80045

Indeed, we do, Andy. Actually, the possible bungling of part of the ceremony could account for Otto's only partially-returned memory, no?

NEXT ISSUE:

IF PETER'S IDEA WAS TO ASSUME FOUR COMPLETELY NEW, HEROIC IDENTITIES, THEN WHAT IS HE DOING PARTNERED UP WITH THE DEADLY DELILAH AS RICOCHET? HE MAY NOT HAVE TIME TO FIGURE IT OUT HIMSELF, AS THEY FIND THEMSELVES CONFRONTED WITH ROUGHHOUSE AND BLOODSCREAM! PLUS, IF ROBBIE HAS QUIT THE NEWSGATHERIN' BIZ, WHAT'S HE DOING POKING INTO THE BUSINESS OF ONE ALISON MONGRAIN? AND WHAT DOES IT HAVE TO DO WITH A PARTICULAR PACKAGE DELIVERED TO HER BY NORMAN OSBORN? THE ONLY PEOPLE WHO KNOW THE TRUTH ARE NAMED TOM DEFALCO, JOE BENNETT AND BUD LAROSA—AND THEY AIN'T TELLING…AT LEAST NOT FOR ANOTHER 28 DAYS! RALF WOULD TELL, BUT WE'VE KEPT HIM COMPLETELY IN THE DARK!
